Part II: The Sites Process:

Explain how each process will be followed to assist taxpayers remotely. How will the site manage:

1. Scheduling the appointment

Appointments for virtual tax prep can be made by phone or online

2. Securing Taxpayer Consent Agreement

Full consent language will be emailed to the customer upon making an appointment. Customers will be able to either sign our intake sheet with a field for consent signatures or sign an e-signature document.

3. Performing the Intake Process (secure all documents)

Customers will upload all needed tax documents including a copy of their ID and Social Security/ITIN verification to Dropbox. Customers will also be able to upload the intake sheets the same way, otherwise a certified volunteer will complete them during the interview process

4. Validating taxpayer's authentication (Reviewing photo identification & Social Security Cards/ITINS)

Identification will be confirmed through a Zoom meeting with the customer but also both IDs and Social Security/ITIN verification will be uploaded to Dropbox for volunteers to utilize.

5. Performing the interview with the taxpayer(s)

The interview process will be conducted over Zoom. If a customer is not able to complete the interview this way they will have the option to utilize a phone call and in-person drop-off option as a back-up.

6. Preparing the tax return

After the interview is complete and we have all needed documents and the intake sheets are complete, the certified volunteer will prepare the return and either communicate as needed with the customer on Zoom if they are still in the meeting, or over the phone.

7. Performing the quality review

After one volunteer finished preparing the return, a second experienced volunteer will take a second look either within the same Zoom call or shortly thereafter.

8. Sharing the completed return

Once the quality review is complete, another volunteer will contact the customer via phone to verify that the information is true, correct and complete and discuss the refund amounts or balances due.

9. Signing the return

Those completing the virtual tax prep process will get e-signature documents e-mailed to them to sign and send back to Prepare + Prosper. Those that require a paper-filed return will be informed of this in the previous step and receive a copy to sign and mail through the mail.

10. E-filing the tax return

Once we have received the e-signature version of the 8879 we will e-file the tax return. If needed we will mail the 8879 to the customer to have them sign and return to us and we will e-file upon receipt of that signed document.

Page three of thi	s form will be maintained at the site with all of	ther required docu	uments.
